VOL. 14, NO. 23

Wednesday, June 6, 1951

WILMINGTON, MASSACHUSETTS

PRICE 5 CENTS

CRASH INVOLVES WILMINGTON CARS

A Ford dump truck and three autos were involved in a quadruple crash in North Woburn about 6:00 p.m. Tuesday, June 5th.

As Woburn police reconstructed the story, the truck, a heavy type, with dual rear wheels, was coming from Lowell, operated by Dalea Vasiliou of Waugh Street, Lowell. It became involved in a collision with a Dodge sedan, driven by Mrs. Eunice Lundgren of No. Woburn, the accident happening near the 1790 House on Main Street. In the car with Mrs. Lundgren were her three children, William, 6, Richard, 5, and Linda, 1. Mrs. Lundgren was cut about the nose and face, and William was cut about the face. All were taken to Choate Memorial Hospital by the police.

The Lundgren car is supposed to have hit the truck, and caused the rear wheels of the truck to disengage, together with the drive shaft, to go spinning down the road for about 50 feet, and smash into a Chevrolet sedan, driven by Stanley Cady, of Church Street, Wilmington. Mr. Cady was reported to have driven up onto the sidewalk, in a vain effort to avoid the speeding wheels. The entire left side of the Cady sedan was badly damaged.

While the truck rear wheels were hitting the Cady car, the truck itself caromed over and struck a Packard car, driven by Rocco Cipolo, of Forest Street, Wilmington. Mr. Cipolo was not reported to be injured. All injured persons were released after first aid had been administered.

FINAL PACK MEETING

The final pack meeting of the year was held on Monday evening, May 29 with approximately 50 parents in attendance. Cub Olympics were held and Pack 57 won the awards over Pack 56. Dens included in Pack 57 are: Den 6, under the direction of Mrs. Deming, Den 7, under the direction of Mrs. North and Den 8 under the direction of Mrs. McLaughlin and Den 9 under the direction of Mrs. Day.

Silver Arrows were awarded to those boys who had attended at least the last three meetings with one or both of their parents.

BASEBALL GLOVE LOST

On the evening of May 29, during the Cub Scout Pack meeting, a first baseman's glove was lost at or near the junior high school. Anyone having any information as to the whereabouts of this glove are requested to call Wilmington 890 or 2907.

FORREST DOWNS ON LEAVE

Pvt. Forrest G. Downs arrived home from Fort Bragg, N. C., for a 7-day leave with friends and relatives in Wilmington. Brownie is the son of Mr. and Mrs. Glenn Downs of Woburn Street.

Inducted into the Army late in January, he has just completed basic training with the engineers corps at Fort Bragg. Prior to his induction, Brownie worked for his father on the farm. He was educated in Wilmington schools. During World War II, his brother, Cleson served with the U. S. Navy.

VFW TO GIVE TESTIMONIAL

On Saturday evening, June 9th, the VFW Auxiliary, District 15, will give Mrs. Marguerite Baker, president of District 15, a testimonial banquet. This banquet will take place at the Pinehurst (Billerica) VFW headquarters.

ROBERT WARNER IN HOSPITAL

Bob Warner, the operator and owner of Warner's Filling Station is in the Brighton Marine Hospital, undergoing examination, because of recurrent illness. Robert is a veteran from the First World War.

VIEWS PARADE IN DRACUT

Last Saturday morning my friend and I journeyed to Dracut to view the 3 and one-half mile parade commemorating the 250th anniversary of that town's founding. The parade was wonderful, and any loyal Wilmingtonite could certainly stand up and be proud of the picture presented by Wilmington's entry.

The old horse-drawn hand tub came into its own again, after having been out of service for about 30 years. I worried a little on the way up about the type of horse which was to be supplied, would he be an old plug, just able to stand? He was far from being an old plug—he was beautiful and he added just the right touch to an already impressive picture.

Wilmington firemen worked hard and long for this gala celebration and are to be congratulated on the final outcome. Six firemen marched with the hand tub, three on each side. These men included Ernest Cail, Harold Cail, George Cushing, Frederick Kleynen, Fred Lloyd and James McCue. The duties of driver were taken over by Francis Downs. The horse was unnamed, but his services were donated by Jacob Garnick.

FIREMEN'S RELIEF ASSO. ELECTS OFFICERS

The regular monthly meeting of the Firemen's Relief Association was held on Tuesday, May 29 at the fire house with a good attendance. President Leslie Durkee conducted the meeting and election of officers was held.

The new officers are: President Leslie Durkee; Vice president, Arthur Boudreau; Secretary, George Cushing, Treasurer, Roland Deming. Those elected to the Board of Directors were: Clayton Buck, M. O'Neill, Joseph Medico, Henry Cutter and Charles Ellis.

The next meeting will be held on Tuesday, June 26.

CATHERINE ESLER IN HOSPITAL

Catherine Esler, daughter of Mrs. Susan Esler of Main St., is a patient at the Cushing General Hospital in Framingham. She is being treated for recurrent Malaria and other complications, incurred while serving in New Guinea during the early part of the war.

STOLEN BANTAM HENS RETURN TO ROOST

Henry Love, of South Street, So. Tewksbury is a Bantam fancier, who also raises fancy pigeons and tumbler. About five weeks ago some light fingered person stole 168 pigeons and 43 Bantams from Henry. Since then, there have been a few reports coming to Henry of his hens which are very distinctive, being the only ones of their breed in the state. Now, somebody is leaving some of the hens in Henry's yard, at night. Evidently the light fingered person is unable to dispose of his loot, and is trying to return it. Henry hopes he gets it all back.

NOTES ON THE TOWN MEETING

Coming up for discussion in the special town meeting will be three articles. Some pertinent facts pertaining to these articles are:

Article 1. The land which the town proposes to sell to the Greer Co. is composed of a field 2.5 acres in extent, and some scrub land filled with pater pockets, about 3.0 acres in extent.

Article 2. It is the understanding of the town that the Greer Co. will pay for the installation of the water main on Eames Street, exclusive of the cost of installing an 8 inch main to the railroad. The actual main will be 10". Money used by the town for this project would be paid back on Water rent, without interest.

Article 3. The cost of this precincting cannot be estimated until decision of the town on cost of food to personnel is made. Exclusive of food, the cost has been estimated at \$500 for town or national elections and about \$100 for primary elections.

LICENSES NOT WANTED?

There are certain businesses in town which require a license, and who have made application for such a license, and to whom such a license has been granted, and yet they have not picked up the license. The effect in a legal sense is the same as though they had no license, and Dean Cushing has stated that he will be cracking down on these people very soon.

INJURES LEG

Mrs. Robert Warner of 945 Main Street slipped while going down cellar and badly injured her right leg. She is under the care of Dr. Hardcastle of North Woburn.

PRINCIPAL ASSESSOR

There have been several applications made to the town manager for the post of principal assessor, some from Wilmington, and others from out-of-town. One of the applicants has had the same kind of job for an out-of-state city of 15,000. Another has had considerable legal experience in assessing. No decision has been made as yet.

REPAIRS TO UNACCEPTED STREETS

At the annual town meeting, the town accepted certain laws which allows it to repair unaccepted streets at its discretion. The town is in receipt of a letter from Representative Keenan, with regard to this. According to the representative, the town may repair, but not re-surface these streets.

The town manager will be repairing some of these streets in the near future. He has expressed the desire that any person who feels his street should be repaired, under this law, should let the manager know about it.

CLERKS FOR TOWN MEETING

Mrs. Anna Barry of Fitz Terrace and Mrs. Pauline Curtin of Glen Road have been chosen by the Selectmen for the post of clerk at town meeting.

BURLINGTON AVE. BRIDGE

The Burlington Ave. Bridge, over the B&MRR is to be closed on Wednesday, June 13th, all day, in order to effect certain repairs. The town will station a Fire engine on the Burlington side, for fire protection purposes, while the bridge is closed. The B&MRR will bear this expense, as well as others, such as placing rerouting and detour signs.

DOG OFFICER

In order that there be no question as to the legality of appointment, the Selectmen have appointed the town manager their agent, to appoint the town dog officer. This was to settle a possible legal point in the town charter.

IRVING APPLEBY TO DEMONSTRATE NEW TYPE STRETCHER

After 43 years of experience in rescue work, Mr. Irving Appleby, superintendent of Metropolitan beaches, bath houses and swimming pools, states that the stretcher which he has in his possession now is, the most sensational he has ever seen.

This stretcher, which was invented by Wallace Robinson of Portland, Me., who never lived to see it perfected is the first one of its kind ever to be introduced. Made of aluminum, it will open up like a pair of scissors and when closed slips under the patient without the slightest movement thus causing no further discomfort to the injured person and eliminating the possibility of further complications which in the past were due to unnecessary handling. Costing \$17,360 to perfect, it weighs only 7 and one-half pounds so can be easily handled. During the tests taken, says Mr. Appleby, this stretcher held a man weighing over 300 pounds. It can be adjusted to a man over 6 feet tall. It will undoubtedly save thousands and possibly millions of lives which could be lost due to excessive movement of the patient.

Mr. Appleby has been engaged to take this new instrument before the five branches of the armed services for demonstration on Thursday morning, he will fly to New York to display it at the Brooklyn Navy yard. The following Wednesday he will take it to Washington and on Saturday it will be displayed by Mr. Appleby in Toledo, Ohio.

TREE DEPARTMENT

All funds expended by the Tree Warden have been placed in one account by the town manager, in order to ease bookkeeping problems.

The Tree Warden will try spraying a few selected spots, as an experiment, against mosquitoes this summer.

HIGHWAY DEPARTMENT

The town manager is preparing a master list of all gravel surfaced roads, in which water has been installed. He hopes to oil these roads this year. A list is also being prepared of graveled roads without town water, in order to regravell these streets if necessary this year. Streets which are not accepted are also being listed, for work to be paid by the abutters. The work on these streets will take several years.

WATER EXTENSIONS

Water Extensions are now being made by the water department. When the necessary pipe arrives for Eames Street all other work will stop in order that this necessary work be done.

J. W. GREER PLANT

Your reporter has been told on good authority that the J. W. Greer plant will be ready by the 1st of January, 1952.

HOUSE BILL 2416

Pending before the Legislature at the present moment is a bill which would provide for direct dealing with subcontractors, in public building. The town of Wilmington has gone on record as being opposed to this bill.

JUNK DEALERS

Junk dealers licensed by the town will now be required to display these licenses on the side of their truck of ordered to enforce this ruling.

PIANO RECITAL

The pupils of Mrs. George Kambour participated in a piano recital at her home, Monday night. The recital was well-attended.

VICTUALERS LICENSE

James McLaughlin, who operates a store at the corner of Shawshen Avenue and Hopkins Street has been granted a common victualers license.

HIGH SCHOOL SPORTS

by Glen Connolly

Wilmington racked-up another lopsided victory by beating Burlington 14-3, at the Town Park, May 28. Almost every man on the squad took part in the game. The scorebook after this game, was the equivalent of a cross-word puzzle, since Coach O'Doherty made a number of changes in the line-up after 12 runs were scored by the Wilmingtonites in only 4 innings.

Ber Baldwin is credited with the win, pitching the first 6 innings during which he allowed one run, and fanned 6 of the opposition. Billy Busineau pitched the remaining 3 innings, issuing one walk, and giving up just 1 hit. Bill's support briefly failed, thereby permitting 2 runs to score, however, the game was ended by a neat double play: Melzar to Tighe to Cuoco.

Jere Melzar collected his fourth home run, a tremendous drive over the center field wall, with two men on the bases. Doubles were hit by Don O'Connell and Fran Hoban, and Ber Baldwin scored 4 runs himself. Six bases were stolen in what turned out to be the longest game Wilmington has played, since it lasted 2 hours, 25 minutes.

Howe High won a close 3 to 1 game in which Albie Ethier suffered the loss.

The second shutout of the year was collected by Wilmington over Johnson High of North Andover (12-0). Ted Kambour was the winning pitcher. His speed and control resulted in 13 strike outs, boosting his total to 50 k's.

The bat of Jere Melzar, was a big threat to the Johnson pitcher. Jere hit two terrific homers in this game, his total is four.

In the final week of campaigning the Wilmington High School baseball team played two league games, splitting these. May 29th, Methuen was played at the Town Park. Albie Ethier started the game, and was very effective, allowing only one run in 5 innings, however, he was lifted for a pinch hitter. In this frame the game was tied when Ber Baldwin was driven home by a timely hit off the bat of Don O'Connell. From this point, Ted Kambour took over, but Methuen quickly scored 3 runs due to an error. At the end of the 6th inning, we were on the short end of a 4 to 3 score. In the 7th, Ted held our opponents scoreless, then the tide changed. Don O'Connell promptly doubled to center field and then was sacrificed, to third by Greg Hakey. The enemy coach ordered the bases filled, I doubt that he'll ever do that again for all three runners scored plus two more for good measure. The final score was 9 to 6.

The final game of the year was played at Tewksbury. Tewksbury took advantage of several errors to come out on top 5 to 3. Ber Baldwin and Albie Ethier pitched, Baldwin suffering the loss.

In league competition this year, Wilmington played better than .500 ball, with an 8-6 record.

AUCTIONEERS LICENSE

C. P. Robinson of Wildwood St., has been granted an auctioneers license in the town of Wilmington, by the selectmen.

● TOWN NOTES ●

JUNE

June is breaking out all over, is the way the poet sings it, and it was never more true than this year. We had a couple of rainy days the last of May in which more than 4 inches of rain fell, and which helped everything to grow by leaps and bounds. Daisies were out on June 1st. Iris is in full bloom, and roses are just starting. Truly, the poet was right.

CUTWORMS

Along with our prolific growth of green things, we have a prolific growth of greet cutting things. Wilmington is suffering from a fairly heavy attack of cutworms this year. Several farmers have lost a considerable amount of peas, and backyard gardeners are counting their tomatoe plants in order to get more for replanting. We know of one man who sprayed an acre of land with 6 per cent DDT.

OLD NO. 1

The Firemen's Association did a truly remarkable job on Old No. 1. We advise everyone who gets the chance to look it over, down at the fire station. It was shown up in Dracut on the 1st and 2nd of June, but did not win a prize. Somebody told us that the Chief of the Fire Department that won the prize was also the judge, but he wasn't trying to be unfair in telling this to your reporter. The Fire Department that won the prize really deserved to win it, according to this spy of ours. And, we guess, the boys at the fire station will agree.

BASEBALL

The baseball season is in full swing as never before in Wilmington. The Common, and the Town Park are almost always busy. Every night sees somebody playing somebody else, and it is all good sport, too.

TOWN HALL

Our reporter who went down to look at the Town Hall for us last week reported that the doors had been painted gray. Two minutes af-

ter he left, the painters started to apply green paint to the doors, so that the report was entirely inaccurate, as printed. We think the green is nice though.

MEMORIAL DAY

This was probably the Memorial Day that will not be forgotten. It rained. And it didn't rain. Everything was damp, except the spirits of the parade. Theirs was the day, and no old weatherman was going to spoil it for them.

SCHOOLS

Graduation for the high school this year will be on the 12th of June, and for the Junior High on the 13th at 7:45 in Villanova Hall. This will not end the school year. We repeat, this will not end the school year. Just when it ends, our spy has yet to report, but he thinks it will be about the 27th or 28th of June.

AUCTIONS

The town has had a plethora of auctions recently, all of which were of course, small-time stuff. We hear that they have all been successful. The best one yet, apparently, is the one that the East Wilmington Improvement Association is to hold on June 9th at the Robinson home.

CRUTCHES

A member of the American Legion donated a pair of crutches in response to the appeal printed in last week's Crusader. A second pair of crutches was donated by a Silver Lake lady. The Wilmington police department will care for any spare crutches, to be available at call. The appeal for a wheelchair went unanswered. We hope that someone will turn up with one. It is needed.

RABBITS

Many of our townspeople have commented on the number of rab-

bits to be seen from autos, as one drives around the town. More than ever before, they are to be seen. They frequently turn around and hop back to the side of the road from whence they came, on the approach of automobiles, which proves that maybe rabbits are learning traffic rules.

HELPFUL KIDS

Our reporter tells us that there are some children in Wilmington who are very busy removing the signs that the Tree Warden posts advising the people that trees have been sprayed in the vicinity. Bill has had to go to quite a few places and repost signs, in order that the people know the danger of letting animals graze on poisoned plants.

ANNUAL MEETING OF THE WHITEFIELD MOTHERS CLUB

The annual meeting of the Whitefield Mothers Club was held in the Whitefield School lunchroom on May 3rd at 8 p.m.

The Committee on the other basement room reported that it was inadvisable to try anything at the present time. A report was read that Mr. Cunningham of the Wilmington Theatre was doing everything possible to keep undesirable films out of the children's programs on Saturday afternoons. A new mimeograph is to be bought. \$25 was voted for scholarship, in conjunction with the Parent-Teachers Association Scholarship. Mrs. Esther Hall, librarian, talked on school libraries. The club voted to buy books and phonographs for the school.

Mrs. Allick Epstein of Cunningham Street was elected president for the 1951-52 season. Mrs. Juanita Nicholas of Salem Street is vice president and Mrs. Webster Hall of Linda Road is to be Secretary-treasurer.

RAILROAD ENTHUSIASTS INC.

Over on Woburn Street is a little unofficial society known as the East

Wilmington Branch. It is not a real society, existing more or less in the minds of the members, but they are all members of a larger society known as Railroad Enthusiasts Inc. The Society loves to charter trains and travel on the old odd routes, all over New England, exploring all the nooks and crannies.

If this were a society of retired railroad engineers, conductors, and trainmen, one would well understand, but it is instead, a group of ordinary men, plying every known trade, except railroading.

Here, in the East Wilmington Branch we have a telephone worker, and a nursery man, to show what we mean. These two men, Ed Rice and Bob Barrows will be making the next excursion along with some 450 fellow enthusiasts, next Sunday.

The trip starts in North Station, stops at Reading, runs thru North Wilmington to Lowell Junction, thence to Lowell, Ayer, Fitchburg, Winchendon, Keene, East Northfield, Greenfield, Worcester, Clinton and back to Boston. The train is to stop where the passengers want it to stop, to take pictures or for any other purpose.

They can't find a reason to stop in North Wilmington, so they say!

SPEED

Will Coles of Reading was fined \$5. for speeding, in Woburn Court on May 31. A case for driving without a license was filed.

AMBULANCE CASE

Stephen Cross, of St. Paul St., cut himself while swimming in Silver Lake on May 31 at 4:30 p.m. He was taken to Winchester Hospital in the ambulance. Deputy Chief Hoban drove. Dr. MacDougall was in attendance.

FOR SALE

MAHOGANY DINING ROOM Set, 4 chairs, buffet and drop-leaf table in excellent condition. Mrs. L. J. Hart, 39 Columbia Street.

SCOTT GRINDER SERVICE
LAWN mower service. Scissors, knives, axes, and scythes sharpened. GARDNER SCOTT, 259 Lowell Street, Tel. Wilmington 653, Wilmington.

WANTED

TWO OR THREE men for garbage collection from house to house. Married men preferred, but single men considered. 40 hour week. Tel. Woburn 2-2113 or call at 159 New Boston St., No. Woburn.

SHORTCAKE TIME!

All set for "Shortcake Time"? If not drop down and pick-up a home baked shortcake now, already for your own fresh filling! Plenty of heavy cream too!

DAY OR NIGHT FOR APPOINTMENT

TOWN MANAGER CHECKS HIGH SCHOOL BILLS

Dean Cushing was presented with the plans of the new High School during the last week, by Kenneth Kelley, of the high school building committee. There are a few bills yet to be paid, and the town manager intends to check all bills which have been paid, to make sure that the town has received all discounts due it.

CATHOLIC YOUTH BASEBALL

Father Regan of St. Thomas' parish is organizing a junior baseball team, for boys between the ages of 14 to 16. There will be tryouts on the Common on Monday evenings at 6:30 and on Saturday mornings at 9:30.

PAPER AND RAG COLLECTIONS

Father Regan of St. Thomas' parish has asked the people of the parish to collect paper and rags for the purpose of providing funds for CYO athletics.

PURCHASE MIMOGRAPH

The Mothers club of the Whitefield school have voted to purchase a mimeograph machine for the school.

PARENT-TEACHERS ASSOCIATION

The Executive Board of the Parent-Teachers Association is to have a meeting tonight, June 6th in the Roman House at 8.

PARENT-TEACHERS ASSO. SCHOLARSHIP

The Whitefield Mothers Club has voted to donate \$25 for the scholarship set up by the PTA at its last annual meeting.

NEW FAMILY

The Heider home, on Wildwood Street, has new occupants. Mr. and Mrs. Albert Ramsdell, formerly of Somerville have moved in.

INTERESTING ROCK

Did you ever see a "Cross Stone"? Mr. C. P. Robinson of Wildwood Street gave your editor one, during the last week. It is of talc, and has a natural cross of silica, in the center. They are to be found in four places in the world, according to Mr. Robinson, and one of those four places is Lancaster, Mass., where Mr. Robinson's son Richard works. Richard gave the stone to his father, who in turn gave it to your editor.

MR. GOOD

Clifford Good, who has taken over the superintendency of schools in Wilmington, is still looking for a home for his family.

MOST DEFINITELY, SON

We know of a little five-year-old boy, who asked his daddy, last week, "Daddy, are Income Tax poisonous?"

JUNIOR BASEBALL LEAGUE

The boys of the Junior Baseball League, aged 12 to 14 have been having quite a series in their league. So far, the league is led by a team that calls itself the Braves, coached by Bobby Swain. It has at present three wins and no losses. Robert DiGirolamo of Sprucewood Road is their pitcher and threw a very good game against the Tigers, coached by Dick Ethier.

The schedule for the rest of the year is as follows:

June 6	1-4
June 7	2-3
June 11	3-4
June 13	6-2
June 14	1-5
June 18	3-6
June 20	4-5
June 21	1-2
June 25	1-3
June 27	4-6
June 29	2-5
July 2	1-4
July 3	2-3
July 5	5-6
July 9	1-5
July 11	2-4
July 12	3-6

J. W. GREER CO. PAYS FOR WATER

The Town Manager is in receipt of a letter from the J. W. Greer Co., relative to the plant which they shall build, on lower Main Street. The company has told the Town Manager that they are ready to advance any reasonable sum for immediate installation of water mains down Eames Street. The difficulty, as far as Mr. Cushing is concerned, is to get enough pipe of the proper size. The main along Eames Street will have to be of 10 inch pipe.

Commonwealth of Massachusetts LAND COURT (Seal)

Case No. 6036-S
Upon the petition of Norbert Sell and Barbara M. Sell, of Wilmington, in the County of Middlesex, and said Commonwealth, representing that they are the holders of four Treasurer's Deeds, one entered as Document No. 15588 noted on Certificate of Title No. 1990, issued from the Middlesex North Registry District; one entered as Document No. 16851 as covered by Document No. 21716, noted on Certificate of Title Nos. 4171 and 4261; and one entered as Document No. 15077 as covered by Document No. 21716, noted on Certificate of Title 2846, all issued from said Registry District and covering land on Oakwood Road in said Wilmington, the sales under which have been duly determined by the Tax Commissioner for the Commonwealth of Massachusetts to be sales under the provisions of the low value statute; and praying that said Certificates of Title Nos. 1990, 4171, 4261 and 2846 be cancelled insofar as they relate the above-mentioned documents and that a new Certificate be issued to them, therefore, it is ORDERED that the Recorder give notice of this petition forthwith by sending by registered mail a copy of this Order to MOLLY O'CONNOR, AUGUSTUS O'CONNOR, HELEN O'CONNOR, GEORGE O'CONNOR, ALICE O'CONNOR, VINCENT T. O'CONNOR, ELEANOR O'CONNOR, and JULIA F. O'CONNOR, of Somerville, MARY E. SCANLON, of Lexington, MIKAL K. OLSEN and CECILIA E. OLSEN, of Arlington, in the County of Middlesex and said Commonwealth. If they desire to oppose said petition they or their attorney must file a written answer under oath, setting forth their objection or defense to said petition and file the same in the office of the Recorder of said Court, at the Court House, in Boston, on or before the ELEVENTH day of JUNE next.

Unless an objection is so filed, the said petition will be taken as confessed and all respondents will be forever barred from contesting said petition or any order or decree the Court may make.

And it is FURTHER ORDERED that notice of this Order be given to All To Whom It May Concern and To any Persons Interested in the Estates of John O'Connor, Thomas O'Connor, Mary E. Welch, Gertrude A. Callahan, Michael J. Hanley, John T. Hanley, Gertrude May Travers, Frederick W. Travers, William H. Travers and Robert J. Travers, by publishing a copy of this Order once each week for three successive weeks in the Wilmington Crusader, a newspaper published in said Wilmington.

By the Court.
Attest:
THOMAS B. CUMMINGS
Deputy Recorder.
May 15, 1951.

Rev. Herbert A. Jerauld, S.T.B.
Rector

MILLIONS OF AMERICANS

Millions of Americans are climbing into their cars for week-end trips, and countless others are relaxing in their gardens. But let's not forget that God never relaxes His care for us and His world.

Come to Church regularly to worship Him.

CHURCH OF THE GOOD SHEPHERD (Episcopal)
Chute and Woburn Sts.
Reading, Mass.

SUNDAY SERVICES

8:00 a.m. Holy Communion
11:00 a.m. Morn. prayer - sermon
(Holy Communion 1st - 3rd Sun.)
9:30 & 11 a.m. Church School

NEW TAGS FOR TOWN SWIMMERS

Dean Cushing has announced that this year new tags will be given to residents of the town who register for purpose of bathing at the Town Beach. It is cheaper, says Mr. Cushing, to issue tags than to go all through the bookkeeping of checking old tags, and reissuing where necessary. This announcement was made after a study had been made by Mr. Dean Cushing and Mr. George Cushing, former park employee.

TOWN GRAVEL PITS?

The Town Manager and the Superintendent of Streets, Jimmy White, have surveyed all town owned property, in order to find if any site owned by the town might be suitable for a gravel pit for the town's use. Several sites will have the gravel there tested, to see if it can be used.

METHODIST SUNDAY SCHOOL PICNIC

The Methodist Sunday School picnic was held at Watts Grove, in Tewksbury, Saturday, June 2. 110 children were present. Games were led by Bill Russell and Bill Stickney. Hot dogs, potato chips, milk and coffee were served, and the afternoon finished with a soft ball game.

LIBRARIAN GIVES TALK

The Wilmington Town Librarian, Mrs. Esther Hall spoke to the ladies of the Whitefield Club Thursday evening, May 31st. She spoke on the books which are being put in the "School book corners," why she started them, the need for more of them, and the need of children's having good books.

CHILDREN'S DAY IN METHODIST CHURCH

Next Sunday, the 10th of June will be the Children's Day in the Methodist Church. The regular Sunday School session will be held, Sunday Morning, and then at 7 p.m. the Children's Day Service will be held in the church.

CHILDREN'S DAY IN CONGREGATIONAL CHURCH

Next Sunday will be Children's Day in the Congregational church. There will be no Sunday School, but instead all Children will attend Church Services at 11 a.m. for a special service. In the absence of the pastor, Mr. Cummings, who is in the hospital, the Superintendent of the Sunday School will officiate.

TAURASI GRAVEL PIT

The Taurasi Company, who have been doing so much gravel trucking in the town in the last few weeks have opened a new (to them) pit. Parallel to Woburn Street, near Salem Road is an esker, which is the remains of an ancient river which ran across the ice in glacial times. It is owned by Herbert Thrush and was opened up for gravel operations some short time back. Today the Taurasi trucks are loading there.

SCHOOL BUS

S. P. Sahagian of Lowell was fined \$5. in Woburn Court on May 29 for failing to stop and passing a school bus while it was loading.

AMBULANCE CASE

Harold Crozier of Aldrich Road was taken to St. John's Hospital in the ambulance on May 30. Officer Shepard drove. Dr. Fagan in attendance.

FIRE REPORT

The fire department was called out just once last week, on Thursday evening at 7:30. Service call.

RECOVERING

Mrs. Charles Algrove of Woburn Street, is recovering use of her arm which she broke in an accident about a month ago.

FIRST BAPTIST—READING

Mrs. Jack Moore of Pleasant Rd., No. Wilmington was elected president of the Women's Bible Class at the meeting held on Sunday morning at the First Baptist Church in Reading.

Next Sunday is children's Sunday at the First Baptist Church in Reading.

HOLD SQUARE DANCE

The square dance last Saturday evening sponsored by the Couples Club and held in the Church of the Good Shepherd, Reading, was attended by a good many Wilmington couples, all of whom brought back enthusiastic reports.

The dances were called by Miss Priscilla Darling and her assistant, Miss Chapin, the most capable and spirited callers it has been our fortune to meet. Polkas and waltzes were in order as were the Virginia Reel, Portland Fancy, the Waves of Torrey and a variety of others.

A well patronized refreshment bar provided food and cokes for the dancers between times.

NEW ADDITIONS

Former Fire Chief Joe Barton is reported to have a couple of new "hands" around the Barton barnyard up there in So. Hiram, Me. Informal sources revealed recently that Joe purchased a fine pair of roans to help around the farm. Once

BUILDING MATERIALS — Septic Tanks, Concrete and cinder blocks, chimney blocks, glass blocks, lime, cement, fibre plaster, Rock Lath, Rockwool Insulation, corner bead, sand, gravel, common brick, face brick, flue lining lead flashing, quarry tile, drain pipe, cesspool covers, platform railings, steel basement windows, building columns, fireplace dampers, angle iron, cleanout doors, garage drains, ash dumps, Heaters, selected flagstone and outside fireplace units. **Frizzell Bros., 29 High St., Woburn 2-0570.**

again we credit the "informed sources" who stated that there appears to be a mild exodus from Wilmington to that section in Maine. It seems that the taxes are so low up there as compared to here that quite a few people are considering a change of sections, one a prominent business man.

PRESENT SHOW

Mrs. Sweets Kindergarten will present their annual exercises and exhibition on June 14 at 2:30 in the vestry of the Congregational church.

Those participating will be: Barbara Coe, Alice Chisholm, Charles Davis, David Dayton, Michael Gattoni, Deborah Gaskell, Mary Goggin, Donna Heldman, Elaine Larivee, Joan Lawler, Walter Marfleet, Ruth Ann Musolino, Peggy Montague, Billy Manning, Carol Balch, Judy Whittredge and Paula Tucker.

The public is cordially invited to attend.

SLBA HOLDS MEETING

The regular meeting of the Silver Lake Betterment Association was held on Monday evening, June 4 at the hall on Main Street. In the absence of President, Edward Sullivan, the meeting was conducted by vice president Richard Rothwell.

Luncheon hostess for the evening was Mrs. Phyllis DeTommaso.

Notice

Wilmington Board of Appeals

This Board will hold a public hearing in the town hall on Monday, June 13th at 8 p.m. on the petition of Theresa G. Laskey of 835 Main Street, for the right to erect and operate a gasoline filling station on the property of 835 Main Street.

Howard C. Woolaver, Sec. Wilmington Board of Appeals

LEGAL NOTICE

The Wilmington Planning Board will hold a public hearing on Monday, June 18 at 8 p.m. at the town hall relative to the application for approval for revision of Narrow Gauge Park owned by John D. Cooke and Edward C. Manning, bounded by Roman Way and land owned by J. W. Babine and other land of John D. Cooke and Edward C. Manning.

(s) E. W. Woller, Sec. Planning Board.

PETTY LARCENY

A couple of saw horses were reported stolen on West Street. The culprit drove up in a Ford, picked up the horses, and went on his merry way, he did. Call out the posse! Whars that thar sheriff?

BREAKING AND ENTERING LARCENY

It was reported to the police on May 30 that a quantity of money and clothing was stolen from the house of Roy Poole, on Jamaica Avenue by thieves who broke and entered. The police are investigating. The entry was apparently made through the cellar.

BREAKING AND ENTERING

Mr. John Aylward of River Street reported to the police that silverware to the value of \$100, and a small amount of money was stolen from his house by someone on May 31. Police are investigating.

STOLEN BICYCLE

Ronald Carlson of Belmont Ave., reported to the police that a bicycle had been stolen from him on June 1. It was described as being black and silver, with balloon tires and 26" wheels.

CHILD INJURED

Stephan Pearl, 4, of Cedar St., was injured when he was struck by a car operated by Mary Little of Wakefield. He was taken to Dr. Fagan, and from there to St. John's Hospital, in the police cruiser. Officer Imbimbo and Deputy Chief Hoban took care of the child.

AMBULANCE

The police ambulance took Eleanor Butler of Hobson Avenue to the Lowell General Hospital on June 2. Officers Imbimbo and Shepard drove, and Dr. MacDougal was in attendance.

INJURY TO CHILD

Richard Guess of Tewksbury reported to the police that Donna Howes, 3, of Salem Street was injured about the head in his car, on June 3. The child was a passenger in his car, and bumped her head on the windshield when he had to stop suddenly, to avoid a car backing out of a driveway. He took the little girl to the hospital.

EMERGENCY TRIP

John Hyatt, 9, of West Jamaica Ave., severed his finger Sunday afternoon. He was taken to St. John's Hospital in the police cruiser by Officer Fuller.

SUDDEN DEATH

Domenic Bruno, 62, born in Italy, died suddenly at his home on Morse Avenue, Sunday. Dr. Richardson, the Medical Examiner was called, and he stated that Bruno died of heart trouble.

Domenic, a well-known resident of Wilmington, worked for many years here, as a barber. He was well liked by all who knew him.

HIKER

Robert Elmstrom of North Woburn thought that Sunday was a good day for a hike. He started off, and the Wilmington police found him later on near Cain's Garage, very much lost. The police took Robert home.

STICKER CASE

Frank Agrella of Lowell pleaded guilty in Woburn Court on May 31 to driving without a sticker. He was fined \$5.

Canadian Nickel Output

It is expected that nickel output by the Canadian producers, International Nickel and Falconbridge Nickel Mines Limited, for the year 1950 will approximate 250,000,000 lbs.

Nickel Steel for Machine Tools

The machine tool industries of the United Kingdom, Germany and Switzerland are requiring large amounts of nickel alloy steels to meet the exacting demands for high strength, toughness and general reliability in the world-wide demand for up-to-date equipment.

APARTMENT WANTED

My Mommy and Daddy are looking for an apartment or house to rent. Pop thinks he should be close to his work. Mom kinda likes the idea of continuous hot water . . . and both agree the place should be heated in the winter, 'course I'm a little girl one month old and the only thing I want is to be with them. My Daddy is going to work for the Billerica News and thinks we need at least three or four rooms in Billerica or neighboring towns. We're going to be here a long time and would like to be your neighbors. If you know of such a place, please write Jim Scott at 83 Wilmont Street in Manchester, New Hampshire.

Well-Dressed Summertime Salads Needn't be Expensive!

Salads are so popular when they're dressed to taste their best with delicious Ann Page Dressings! See for yourself . . . try this thrifty, nifty recipe . . .

MAN'S BEST FRIEND... WOMAN

by Jim Scott

Women have been making headlines of late. Stories about gals have garnered a pretty fair share of the average newspaper spread. This week our little get-together will attempt to shed some light on their lesser activities... happenings that we hope may provoke a smile or a nod of approval. From women, most. As for the men. The following reportorial review will go a long way toward increasing their previously stated belief that "all women are difficult to understand."

On the subject of handling money; We have it on strong authority that women are dopes... when it comes to finances. Who says that? Another gal, of course. (we wouldn't dare to)

Wilma Soss, President of the Federation of Women Shareholders made this statement only recently. At a meeting of the Shareholders league in New York, Wilma astonished everyone by admitting what men knew all along. President Soss said that in her official capacities, she spends all her time trying to pound some money sense into the heads of American women. Miss Soss also went out on a limb with this pretty remark. "Even some of the gals who hold top executive jobs, do not know how to manage their own money."

Now please keep in mind that this is all stated by another woman. If you want to get mad about it, don't blame your husband. (or the Editor, he's married too.) This is all Miss Soss's idea ladies, she said it. She also said that because women do control so much of the national wealth, it's about time they learned what to do with it.

It was brought out during this meeting that the best money managers are the younger women... with or without husbands. Usually young wives are interested in receiving the most for their market nickel or dime. The big gripe of Miss Soss, is the clinging vine type of gal who make their husbands take over financial matters. This according to our lady league president, makes widows completely helpless and easy prey for sharpies who's like to assist the lonesome women in the investment of money.

But evidently all gals are not too dense when it comes to holding on to a buck. We're reporting now on the case of Harry Evans, a chiropractor out in Sunny California. Harry has failed in his attempt to get \$400 a month in alimony from

his rich wife. She is over seventy years of age, the chiropractor is less than sixty. They have been married six months. The lady has sued for divorce and the husband answered with a demand for \$400 monthly. Well, the judge decided that since Mrs. Evans had most of the money, it was only fair that she should pay out alimony. The California chiropractor is now receiving one dollar a month.

And someone once said that women talk more than men. It must have been a man. We have a different reaction from over-seas.

At a gathering of the Anglo-American Club in London, thirty-four speakers were scheduled to talk. The speeches lasted just 90 minutes or one and a half hours for 34 speakers. This average out comes to a little less than three minutes for each lady talker. (what men's club could do better?)

Then there's the matter of bringing up children. Mother has a certain set of standards. Dad has his. Somehow both parents never seem to be able to coincide their views all the time. In this instance though, it was a little boy's teacher who decided that proper training produces good results. Only in this instance the results were entirely unexpected. The young school marm began instructing this particular lad in the mechanics of the dial phone. After all the young gal reasoned, there may come a time when knowing how to use the phone would be a necessity.

Perhaps a fire might be cause for alarm. Maybe a robber will drop in. All in all, teacher believed it was best for junior to learn how to use the telephone.

The little boy in question listened very attentively as the school teacher taught him how to dial, how to ask for the operator and the other secrets of proper phone usage. He went home and applied the lesson.

First he called the police and reported a burglar. Then he contacted the fire department and told the astonished fire-laddies that his home was going up in smoke and for an unexplained reason... it wasn't in the lesson at all... he got in touch with a local undertaking parlor. What he said was never learned... but a hearse soon pulled up to the front door. The results as said before were unexpected and spectacular. Sirens... police with drawn guns... fire men with hose and hatchet... and bringing up the rear of the parade... the undertaker.

This boy was six years old. Does he get an "A" for effort in doing such a fine job on his homework.

A Chat with Marion

You will find it advisable to get thoroughly familiar with the details of the recent government order which established dollar and cent ceilings for the beef you buy.

The new beef price ceilings will affect beef all the way from the stockyards to you, and there will be some variations in prices on the same cuts, depending on the section of the country and the size of the store you shop in. These price orders are designed to bring lower prices of beef.

Here in New England there has been some protest because the over-all regulation on meat cuts does not take into account the cuts of meat sold in New England areas.

Here are the cuts of beef as you will find them in the market now: Porterhouse, the same as it was. T-Bone, has a small tenderloin. Club Steak, formerly known as T-Bone, part loin and no tenderloin. Top of the Round, is the same as before.

Bottom of the Round, is the same as before.

Sirloin, (formerly called Rump), part of face of the rump and tenderloin.

Round, the heel back of the bottom of the round.

Face of the Rump roast, now becomes Tip Roast.

Rib Roast, has two additional ribs (formerly part of loin).

Chuck, called Arm roast (blade), same roast as always cut.

Chuck (Arm), pot-roast (was formerly part of thick-end of corned beef).

Neck of Chuck can be used for stew beef (boneless or bone in).

Hamburg can be displayed at one price only. However, you may select any cut of beef you want and have it ground at no charge for the

LOW COST SPEEDY SERVICE

Is Your Car Leaking SAFETY?

A loose or broken radiator hose, gas line, exhaust pipe, muffler, brake hose or brake cylinder means a leak. And a leak means DANGER... to yourself, to your loved ones and to your car. Let us check, NOW!

Tel. 2-8472 for FREE ESTIMATES

Open 8 to 8 Weekdays - 9 to 2 Sunday

grinding.

The ceiling prices must be posted in every store. You can then easily check to see that the price you pay is no higher than the ceilings listed.

To assist you, too, the regulations require that meats of different grades be displayed in different trays, and that each tray is tagged with the ceiling price.

Ceiling prices on pork, veal, lamb and mutton are expected in the near future.

The OPS officials predict that these regulations, designed to spread price reductions over many months, starting with the people who buy live cattle, and then affecting the wholesalers and retailers, will result in stability in beef prices for the consumer by fall, about ten cents below the retail prices that prevail now.

Went to a perfect shower luncheon the other day, and it was all done at home, and so delicious and so simple that I thought I'd pass it along to you.

Many years ago, so the saying goes, a beautiful Dutch girl wanted to marry a poor but honest man. Her father refused to contribute the dowry so the girl's friends showered her with gifts to furnish her new home. And that's supposed to be the origin of today's bridal shower.

The table was attractively set with a centerpiece of yellow marguerites and lilies of the valley. The dishes used were white china with plain gold bands. The glasses were canary yellow.

The first course was a delicious frozen fruit salad, molded into color-

ful fruits. They raved about them! The recipe the hostess used was one of her favorite frozen fruit salad recipes, and she put the salads into fruit molds, and then froze them in the freezing compartment of her refrigerator! Piping hot rolls were the only accompaniment to this delicious salad.

But most of all it is the dessert you'll want to hear about! It was a double ring cake! Could almost be used for the centerpiece! And let me tell you... it tastes just as good as it looks! (It could be used for an anniversary, or for a special occasion such as a silver or golden wedding anniversary!) (Or, for a wedding cake!)

Make your own favorite white cake, or use a quick mix. Then grease and flour two 10 1/2 inch ring molds. Fill with cake mixture, and bake as directed. Cool loaves of cake. When cool lap one ring over the other far enough so that a small space appears in the center. Mark the lower cake where the two overlap. Following markings and cut two pieces from lower cake. Set two rings side by side on the serving plate, cut side of one touching the other. Now, to complete the interlocking effect, place small curved piece cut from one ring inside the uncut ring! Easy? It surely is, but the effect is something!

To ice the cake make 1 1/2 times White Mountain icing recipe. Frost rings with small design on the sides and with circular lines on top. Frosting will help make rings appear interlocked. The icing was tinted a pale yellow, and was decorated with silver candies. This cake served 25 persons generously!

ACTION ON DOG COMPLAINTS

The Town Manager announces that all dog complaints (to use a term) have either been settled, or have been turned over to the proper authority who has the power to settle the complaint.

CROSS STREET

A tentative settlement has been made as to the layout of Cross St. The County Commissioners have made a verbal agreement with the Town Manager, to accept tentatively the present lay out of Cross St.

JUNIOR HIGH SCHOOL FLOODED AGAIN

The Gym of the Junior high school was flooded again, lately, when water backed up the drain pipes.

ROAD GRADING IN PROGRESS

The shoulders of Salem Street are being graded by the road scrap-

er. Grand Street is soon to be graded, as is the areas approaching the Junior high school.

WILMINGTON MAY DAY

The school children of Wilmington had their May Day on the 28th of May, held over from the 25th. The weather was wonderful, and the children enjoyed themselves in a sports program.

The program opened with a patriotic note: Salute to the Flag and the singing of America. The May Queen, Ann Branscombe, all gowned in white, and her attendants gowned in pastels, led the May Day Grand March. A former May Queen June Coombs, and her two attendants, Mrs. Wallace Barrows, and Mrs. John Toben, all beautifully gowned to fit the occasion, crowned this year's Queen, at the end of the Grand March, with a Golden Crown. Each of the attendants were

crowned with silver, as princesses.

The program included all the children from all the grammar schools. Probably 1100 children participated. Most of the program consisted of rhythmic dancing, exercises, and a tumbling act put on by the seventh grade. The fifth grade featured foot races, and the results of the eliminations found Richard McKenna the champion boy and Joan Gilbert the champion girl. The program finished with the eighth grade playing baseball.

TOT'S LEAGUE

Some of Wilmington's sports lovers are learning that the best spot for sports in town, at the moment, is the Tot's league, played every Monday, Wednesday and Friday evening at the north end of the Common. At 6:15 on Tot night, up to 100 of Wilmington's youths, age 8 to 11, gather for a good old fashioned scrub baseball game. You will see there as many as 28 sturdy young men covering outfield at one time. Of course, only one man covers any one base, but the infield too, can be and is expanded, with plenty of extra players salted around. The batters line up, too, is something to admire, 10 to 12 youngsters all waiting their turn. How the boys keep their relative position is a wonder, but they do. There is no squabbling about whose turn is next. Larry Cushing, Danny Boylan, W. Geswell, Ken Marshall and John Ritchie are helping the boys learn the game.

While your reporter was watching, Nick DeFelice of Lowell St.,

hit a couple of real old-fashioned Babe Ruth homers. Jimmy Willis of Butters Row is shaping up to catch in the same manner as Bill Carrigan of the Red Sox. You really should watch that boy block the plate. Johnny Amaro of Forest St., is going to be a first baseman, or we miss our guess.

SPECIAL POLICE

The Town Manager is interviewing applicants for appointment as special police in Wilmington. Several applicants were interviewed on Saturday morning and more are expected to apply for the positions.

VACATION STUDY

A study is being made of vacations for Town Employees. Recommendations are to be expected shortly.

LARCENY OF TRACTOR PARTS

Danny Pike of Lowell Street reported to the police that someone had stolen some wrenches and the radiator cap of the tractor which he had parked on Glen Road overnight. The ignition system had also been tampered with, sometime during the night of May 26-27.

SCOUT LEADERS TRAINING PROGRAM

The Shawsheen District, Boy Scouts, comprising of Wilmington, Tewksbury, and Billerica Scouts, held a training course for Scout leaders on June 4th in the Gym of the Junior High school. This is a course for the training of Troop Committeemen, Scoutmasters, Asst.

Scoutmasters, and Jr. Asst. Scoutmasters.

EMERGENCY HOSPITAL TRIP

Herbert Laurett of Parker Street was taken to St. John's Hospital in the police cruiser at 6:45 p.m. Sunday evening. Dr. Fagan was in attendance and Deputy Chief Hoban drove.

THIEVES AT VILLANOVA HALL

Ronald White of Woburn reported to the police that someone had stolen two fender skirts from his car, while it was parked at Villanova Hall, Friday night.

PARKING LOT IMPROVED

The Railroad ties, which the B&M RR donated, have been put in place in the parking lot across from the post office. Gone are the old days when a person just drove in and drove out. Now, one may drive in, but one has to BACK OUT.

SPEEDERS FINED

Three speeders were each fined \$5.00 in Woburn Court on May 29. All pleaded guilty of speeding in Wilmington.

STICKER CASE

Frederick Briggs, of Lynn pleaded guilty in Woburn Court to driving without a sticker. He was fined \$5. on May 29.

TRAFFIC LIGHT

Maurice Caron of Nashua, N. H., was fined \$5. on May 29, in Woburn Court, for failing to stop for a red light.

FirePower
ACCEPT NO SUBSTITUTES

... because
there
aren't any!

Chrysler's new FirePower engine has rocked the automobile business right down to its roots.

Quietly, behind all the laboratory talk of "engines of tomorrow" . . . Chrysler has built a revolutionary engine for you to drive today!

It can give you 180 horsepower, to surpass any other engine in any other car. It develops its power in its own new kind of way!

But you don't have to "baby" it . . . or give it fancy quality gasoline to get that 180 horsepower performance!

FirePower takes any regular grade gasoline you care to buy . . . and adds its own new "mechanical octanes" to the power-giving octanes of the gasoline itself.

The result is something new and startling in responsiveness . . . and in safety, too. You get quicker and smoother control of when and how you move than you have ever felt before.

It's the engine of tomorrow . . . on the road for you today . . . and your Chrysler dealer invites you now to try it, in the all-around most astonishing new car you ever drove!

**180 HORSEPOWER**

Here's the new Hemispherical Combustion Chamber that's the heart of Chrysler FirePower. Its new, designed-in "mechanical octanes" make regular grade gas do what best premium grades can't do in any other engine you can drive today!

Chrysler FirePower *Finest engine ever put in an automobile*

WHO HIT THE POLE?

During the night of May 30-31
 someone hit a pole at the corner of
 West Street and Westdale Avenue,
 and did not report it. Neighbors said
 that a man in a car did the damage,
 and that he backed away and said
 he was going to report it. He didn't.
 The Electric Light Company was
 called to repair the damage.

FINED IN WOBURN COURT

Lawrence Carlson, of Lowell,
 pleaded guilty of leaving the scene
 after causing injury to property and
 not making himself known, on May
 31. He was fined \$20. Carlson had
 been in an accident on Main St. and
 had driven off. He was pursued by
 Wilmington police, and was finally
 captured in South Tewksbury.

FUNERAL SERVICES HELD FOR MATTHEW J. CASEY

Funeral services were held on last Monday at 2 p.m. for Matthew J. Casey, 70, who has lived on Clark Street, for the past 28 years. Mr. Casey passed away at a Boston hospital on Friday.

Mr. Casey is survived by his wife, Mrs. Blanche Casey; a son, Kenneth Casey of Providence, R. I.; a daughter, Mrs. Putnam of Greenwood and two grandchildren.

For many years Mr. Casey was assistant superintendent of the post office in West Somerville.

Rev. Otis Maxfield presided at the funeral services which were under the direction of Mr. Guy Nichols. Interment was in the Glenwood Cemetery in Everett.

CONGREGATIONAL CHURCH NEWS

The LBS holds its monthly meeting in the vestry on Wednesday at 1:30 p.m.

Next Sunday morning, June 10, the annual Children's Day program will be presented at 11. Those who wish to contribute toward the expense of the memorial plants are asked to get in touch with Miss Patricia Reagan, 3 Fairview Ave., before Thursday noon.

There will be a full rehearsal for children's day at the church on Saturday morning at 11:00.

For the remainder of the month all notices for the Sunday calendar should be sent each week to Mrs. Stanley Cummings by Thursday at noon.

AUXILIARY FIRE FORCE HOLDS MEETING

The first meeting of the Auxiliary Fire Force was held at the fire house on Thursday evening, May 31 at 7:30. George Cushing opened the meeting and introduced Chief Boudreau. New members of the Auxiliary force and new call men were present.

Rules and regulations were discussed and the setting of the fire alarm switch was pointed out to the men for the occasion of substituting at the fire house in the event of a fire. The men were also shown, on each truck, all the different pieces of equipment and were instructed how to use them.

It was agreed upon that the meetings will be held every Wednesday evening at the fire house and that drills will be conducted.

REV. CUMMINGS IN HOSPITAL

Rev. Stanley Cummings of Middlesex Avenue entered the Deaconess Hospital on Monday for an operation. Mr. Cummings expects to be there about one week.

HOBART SPRING ATTENDS COMMENCEMENT

Hobart Spring of Salem Street spent the weekend in Amherst, attending a class reunion and commencement exercises at the university. Mr. Spring is active in the University of Massachusetts foundation which is establishing funds for scholarships.

ROBERT F. DREW AT SHEPARD AFB

Corporal Robert F. Drew of the Air Force returned to duty at the Shepard AFB in Wichita Falls, Texas, where he is a Senior Instructor in technical air groups, last week.

Corporal Drew enlisted last summer and after undergoing basic training, was assigned to the Shepard AFB as a student and he qualified so well that he was retained there as an instructor.

On his way back, Drew flew to Ohio to visit his brother who is a senior at Ohio State.

FISHING TRIP

Last Sunday morning, Merle Alan of Water Street, Woburn, returned home from a fishing trip, telling a real fish story, only this one was true and he had the fish to prove it.

Merle displayed with great pride (and who wouldn't) a twenty-four inch pickerel, weighing four pounds. Where did he catch this prize fish? In Silver Lake of course!

This is just a suggestion men, but I bet there are more here this came from.

COMMUNION BREAKFAST

The Holy Name Society will hold their annual Fathers and Sons First Communion Breakfast on Sunday, June 10 at Villanova Hall after the 8:30 mass.

Chairman of the affair is Walter Geswell and Rev. Francis MacInerney will be the guest speaker.

Tickets may be obtained from any one of the Holy Name men or by calling Wilmington 2514.

ENTER NAVY FOR BOOT TRAINING

Three Wilmington boys who have enlisted in the Navy were sworn in May 29 and left for Newport, R.I. where they will undergo eleven weeks of training.

The boys include: Roger Smith, 17, son of Mrs. Blanch Smith of 614 Main Street. Roger has two brothers: Donald F. Smith, corporal in the tank corps of the U. S. Army, in duty in Korea; Clifford M. Smith, private in the Air Force on duty in Pennsylvania and a sister, Dorothy Smith, Yeoman Seaman in the U. S. WAVES on duty in Washington, D. C.

John R. Harvey, 17, son of Mrs. Mary E. Harvey of 199 Wildwood Street. John has a brother, William who is a Sergeant in the Marines, on duty at Camp Lejeune, N. C.

Chester Carpenter, 17, of Beacon Street, son of Frank Carpenter of Glen Road. Chester has a brother, Richard, aviation ordnance man 1-c, who is at present a patient at the Chelsea Naval Hospital. Chester had six brothers serving in the armed forces during world war II. Four in the navy and two in the army.

POST 136 MEETS

The regular meeting of the Wilmington Post 136 of the American Legion was held on Thursday evening, with Vice Commander, Arthur Harper presiding.

Plans were discussed for an American Legion carnival to be held on July 14, details of which will be announced at a later date.

ATTEND HOLY HOUR

Fifteen Holy Name members attended the Holy Hour at Braves Field on Sunday evening, in spite of the inclement weather. Those who attended included: John O'Connell, president of the society; William Richards, Frank Stevens, Mr. Costello, Ed Shelley, Nick DeFelice, Arthur Harper, Connie O'Brien, T. McGinnis, Alan MacMullen, Ralph Bigger, Eldon Durkee, Bernard McMahon, Charlie Bonarrigo and Fr. John Regan, spiritual director of the Society.

Four members of the Wilmington Holy Name Society took part in the Living Rosary. In all 2100 HN members from Massachusetts participated in the ceremonies at which Archbishop Richard J. Cushing gave a very good sermon entitled "For God and the Flag."

92 JURORS DRAWN

The names of 52 men and women were drawn by the Selectmen, in their meeting Monday night, for possible jury service. Each person will be notified. There is a form that each person will have to fill in. After this has been done, the list will be made public.

The Selectmen chose the number 92 as a compromise between the minimum number for this town, 71 (1 to each 100 residents) and the maximum number 119 (1 to every 60 residents).

SUNDAY LICENSES

A policy has been worked out, by the Selectmen, and town manager, regarding Sunday licenses. Effective July 1 all business establishments requiring a Sunday license will have to allow adequate time for study before license will be granted, and all licenses must be posted as ordered. Where police protection is indicated, adequate provision must be made by the licensee.

RUBBISH LICENSE

Bert Quigley was granted a license by the Selectmen to transport rubbish in the town of Wilmington. Certain restrictions were placed upon the license for the transportation of rubbish to the town dump, as set forth by the town manager.

PROFIT ON TOWN MAPS

The sum of \$14.70 has been turned over to the Town Treasurer being money realized on the sale of maps, recently prepared by the Planning Board. The original cost of the maps was about \$13.50, and not all the maps have yet been sold. More are available at the Town Hall, and at the fire station.

FINANCE COMMITTEE MEETING JUNE 4

The Finance Committee held a meeting in the Town Hall on June 4. They plan to have the results published in the New York Times.

BOBBY KELLY BACK FROM KOREA

S-Sgt. Bobby Kelly, dropped into Wilmington for a visit Monday, having just returned from nine months duty in Korea. Bobby is the picture of health, having lost 60 pounds. He now lives in Boston, but many remember Bobby when he lived on Burlington Avenue.

PLANNING BOARD APPROVES NEW DEVELOPMENT

The Lawrence Street Development, of John D. Cooke, was approved by the Planning Board, at a public hearing, Monday night. One person only attended the meeting. As approved, Lawrence Street starts at the head of Shady Lane Drive and follows parallel to the Lawrence Branch Railroad for about a quarter of a mile, after which it curves over to come out into the upper end of Glenwood Circle. Because there are no mains available for the developer to tap, for town water, the Planning Board approved the plan without requiring the developer to install water. The Board restricted three lots of land, one of these being about 27 acres in extent consisting mostly of swampland.

SENIOR CLASS PICNIC

The Senior Class of the Wilmington High School went to Fairbrook, N. H., for a picnic on June 4. Mr. Donovan and Miss Sharp accompanied the class.

TO STUDY IN DETROIT

Harlan Whittredge, one of Wilmington's popular high school teachers is leaving on June 17 for Detroit, where he will study for 6 weeks in the Cooperative Council Training Course, a program sponsored by the Michigan State College and Chrysler Corp.

LICENSE APPLICANTS APPROVED

Joseph Galka, of Beacon Street, has made application to the state to peddle fruits and vegetables. The state asked the selectmen to approve this license, and the selectmen did this Monday night.

Another such license which was approved by the selectmen was that of Leo A. Rhine of Woburn Street, who was applying for a state license to peddle dressed poultry.

TOWN EMPLOYEE VACATIONS

According to the Town Counsel, the town of Wilmington has never accepted any state provisions for employee vacations. This is also according to the records of the town clerk. The same thing can be said with regards to a 5-day week, or 40-hour week.

POLICE AND FIRE STATIONS

We are reliably informed that an offer of a combined police and fire station has been made to the town, by private interests. The price is considered as being high, according to our report.

BOAT LICENSE

Walter Sturtevant of Grove Ave., has been granted a license to keep boats for hire. There are two stipulations attached to the license. First, no renting to children of 16 or under and second a key is to be given to the police, in order that they may always get a boat if needed.

SLBA TO HOLD DANCE

A dancing party under the auspices of the Silver Lake Betterment Association will be held at the hall on Tuesday evening, June 19th. Music of the modern and old times style will be provided by Stokes
